QUADRUPLE TRAGEDY FOLLOWS

CAPTAIN LARSEN'S LAST NIAG-

COCK PARTIALLY OPEN ESCAPES WITHOUT A SCRATCH

Three Men and Woman Asphyxiated in Duplicates Feat of Last Year, but Will a Bridgeport Tenement - Victims Were Merry at 4 o'Clock in Morning.

Bridgeport, Conn., Oct. 29 .- Wher Stridgeport, Conn., Oct. 29.—When Tidor Bralus, who lives on the first floor at 271 Helen street, woke up this merning his head ached and he smelled illuminating gas. He did not connect the headache with the gas until an hour later, when he went into a hall leading to the second floor, and there it was so strong that it led him to think that he had not heard the family living upstairs moving about.

Niagara Falls, N. Y., Oct, 29.—Captain Klaus Larseen of Detroit made his second trip on the Niagara river from the cataract to Lewiston, in a motor boat, today, completing the six miles of stormy water in 25 minutes, and coming through without a scratch. But he is through with Niagara adventures.

"Never Again," He Says.

"No more for mine,' he said, as he living upstairs moving about.

Found Four Lying Dead, called, and getting no answer, went up, and there in a bedroom found Annie Harchasick, 45 years old, lying on the floor dead; her husband, John, 49 years, was lying dead on a bed. He continued his search of the upper floor and in a bedroom across the half found a nephew of the dead couple, John Preveusak, 19, and a boarder, John Ketergar, 22, dead, one lying on a bed and the other on the floor.

Gas Cock Half Open. Bralus notified the police and on their arrival they found a gas cock at the bottom of the stairs leading to the second floor half open and the gas escaping. On being questioned by the police, Bralus stated that he last heard the upstairs family about 4 o'clock this morning. The woman, he said, was in all Saturday evening, and that the all Saturday evening, and that the three men came in about midnight.

Hilarious Before Retiring. They were all feeling in the best of mountains of water, to be lost to view spirits and soon after their arrival began dancing and singing, making so
much noise that Braius was obliged to
speak to them, but they did not stop
and continued their merriment until 4

He hade made the five miles the course close to the Canalian side, and at 2.14 o'clock he passed under the Suspension bridge at Lewiston. He hade made the five miles the course close to the Canalian side, and at 2.14 o'clock he passed under the Suspension bridge at Lewiston.

Mr. Pulitzer, accompanied by his younger sen, Herbert, left New York aboard his yacht Oct. 20, intending to take a leasurely voyage to Jeky Island, near Brunswick, Ga., where he

had a winter home. Aside from a heavy cold, Mr. Pulit-zer was in his usual health when he left this city. He was taken ill on Fri-day and the yacht put into Charleston. His illness proving to be serious, a telegram was sent to his wife, who left NewYork for Charleston yesterday and arrived shortly before he died. The body will be brought to New York toand The glar who came and left in an automorrow, when funeral arrangements will be made.

For more than a quarter of a century Joseph Pulitzer had been one of the leading figures in American journalism. Born in Hungary in 1847 and edu-cated there, he came to this country in 1863, enlisted in the Union army and served as a cavalryman until the end of the year. After the war be settled in St. Louis, which was for years to be the scene of his journalistic activities. the scene of his journalistic activities. His early newspaper training was as a reporter, and he was afterwards city editor, managing editor and part periods. reporter, and he was afterwards city editor, managing editor and part proprietor of the Westliche Poste, edited by Garl Schurz. He bought the St. Louis Dispatch in 1878 and united it with the Post, as the Post-Dispatch, and under his management that paper became in a few years one of the best known and most widely read in that section of the United States.

Mr. Pultizer's entry into New York

known and most widely read in that section of the United States.

Mr. Pultizer's entry into New York journalism occurred in 1883, when he bought the World, then a paper of small circulation. Its circulation and prestige grew rapidly, and under his general direction it has continued its great influence. A building to house it which he erected in 1890 on Park Row was, until overtopped by the skyscrapers of later years, one of the most striking of New York's office building to house its striking of New York's office building to house its striking of New York's office building to house its striking of New York's office building to house its striking of New York's office building to house its striking of New York's office building to house its striking of New York's office building to house its striking of New York's office health of the man to get a get near enough to the man to get a the house soon after the burglar's departure told of seeing the man with the coats on his arm running up the street, as he came down, and of his getting into an automobile which was soil able to get near enough to the man to get a like house soon after the burglar's departure told of seeing the man with the coats on his arm running up the street, as he came down, and of his getting into an automobile which was soil and the house soon after the burglar's departure told of seeing the man with the coats on his arm running up the street, as he came down, and of his getting into an automobile which was soil and the house soon after the burglar's departure told of seeing the man with the coats on his arm running up the street, as he came down, and of his getting into an automobile which was soil and the house soon after the burglar's departure told of seeing the man with the coats on his arm running up the street, as he came down, and of his getting into an automobile which was getting into an a striking of New York's office buildings,
Mr. Pulitzer's sight began to fall him
in the late eightles, and after a time
he became totally blind. From then on he was a partial invalid, but up to the last he kept up general supervision over his newspaper properties here and in St. Louis and took a pronounced interest in civic affairs. Much of his wealth has been given for educational courness. He donated \$1,000,000 to Co.
